

**DuraTech® Canada and DuraTech® Premium
Decorative Collar for DVL Stovepipe**

DuraVent continually invests in efforts that, not only improve upon our existing safe and reliable products, but also improve upon their aesthetic features. As part of these ongoing efforts, we have created a Decorative Collar for DVL Stovepipe that improves the finished look while providing a proper connection between DuraTech Canada /DuraTech Premium chimney and DVL double-wall stovepipe.

Recommended for through the wall installations. The decorative collar can also be used when a ceiling support or finishing support is not used.

Diameter (in)	DuraTech Canada (DTC) Order Number	A (in)	B (in)	C (in)
6	6DTC-DVL	8 1/8	7 1/8	7/8
7	7DTC-DVL	9 3/8	8 1/8	7/8
8	8DTC-DVL	10 3/8	9 1/8	7/8

Diameter (A) (in)	DuraTech Premium (DTP) Order Number	A (in)	B (in)	C (in)
6	6DTP-DVL	10 1/8	7 1/8	7/8
