

DuraFlex Insert Adapter

Updated DuraFlex Insert Adapter

In continuance with our goal to always improve our products, we have UPDATED the DuraFlex Insert Adapter. The insert adapter connects the flex to an insert that has a flat surfaced outlet.

Unique design allows flex with adapter attached to be pulled down into the insert and secured from the inside. Attached tabs allow the installer to secure the adapter to the underside of the insert top plate.

Available in the following diameters: 3", 4", 5", 5.5", 6", 7", 8"
