

## New Product Design

DuraVent is proud to announce a great improvement to the design of our Drain Tee Caps, Drain Lengths and Test Port Lengths:

Our Drain Tee Caps now have a **1/2"** drain for diameters 3" to 5" and **1"** for diameters 6" to 24".

Our Drain Lengths now have a **1/2"** drain for diameters 3" to 5" and **1"** for diameters 6" to 24".

Our Test Port Lengths now have a **1/2"** test port for all diameters (3" to 24").
