

SUBJECT: Custom Length Flex Liner Component Discontinuation
DATE: November 23, 2022
PRODUCT: FasNSeal Flex

FasNSeal Flex Custom Length Components (3"-12" diameters) have been discontinued due to low demand and complexity reduction in manufacturing. Specific SKUs are designated by a -XX in the order number.

Standard fixed length components are unaffected.

If you have any questions, please contact your sales representative or customer service for assistance.
