

SUBJECT: Discontinuation of 8" Double-Wall Components for use with Duravent PolyPro

DATE: October 28, 2022

PRODUCT: Duravent PolyPro

Please be advised that, in an effort to streamline our production capabilities allowing us to focus on the needs of our customers, Duravent will be discontinuing the 8" double-wall components which are part of the PolyPro product offering. These components are an accessory to the single-wall PolyPro which serves as a protective conduit for the PolyPro flue material.

The discontinued products can be found on pages 23-26 in the current PolyPro catalog. Duravent will continue to accept new orders for these components through November 30th, 2022.

Duravent will continue to honor product warranties for the duration of the warranty period.

We apologize for any inconvenience that this change may cause and thank you for your support as we continue to adapt our product offering to the changing business environment.

Please contact the customer service department or your regional sales manager with any questions about PolyPro or other Duravent products.
