

**DuraChimney® II
8" Diameter Now Available!**

We have expanded our offering of DuraChimney II to now include 8" x 12" product! The new 8" DCA will be available for use on the new Napoleon NZ5000 which has just been introduced. 8" DCA is an air-cooled chimney specifically designed and approved for the Napoleon NZ5000. It is not to be used on any other appliances unless specifically approved by the appliance manufacturer. Be sure to check appliance manuals for approval. If you have any questions please contact your Regional Manager or our Tech Service Department.

DuraChimney® II
